Vera Liu

Front-end engineer

About Me

I have been working in CommonWealth Magazine Group as a front-end engineer for five years.

I am a person who is positive, optimistic, outgoing and who has the courage to take any challenges.

Currently, I am learning web3-related knowledge and hope to apply it in conjunction with my existing knowledge in the future.

Education

(2011–2015)

FU JEN UNIVERSITY
Bachelor of Chemistry

(2017–2018)

INSTITUTE FOR INFORMATION INDUSTRY, III
Training class for Web/APP front-end design engineers
